ACTION REQUIRED - REFERENCES			
		ELIZABETH SUDMEIER	(b)(1) (b)(3)
1. [redacted] this station has recommended the promotion of [redacted] to GS-13. An annual fitness report is also attached. ELIZABETH SUDMEIER 2. I consider this recommendation very much in order. [redacted] has been performing at the full GS-13 level as Reports and Requirements Officer for well over a year. She requires virtually no direction and handles a wide variety of [redacted] contacts, some at a very senior level. 3. In addition, [redacted] is an excellent operational case officer and handles highly sensitive F.I. and C.I. agent cases in a competent manner [redacted] 4. She also has an excellent background in psychological warfare operations, and although she is not at the moment handling this type of work for the Station it is very useful in that she is exceptionally alert to action opportunities and leads which appear in the course of her F.I. or reports activities. 5. [redacted] SUDMEIER CIA 6. [redacted]'s long service to [redacted] and her length of time in GS-12 should be noted, but I would much prefer to rest this recommendation upon the excellent performance she has been turning in [redacted] and upon the grade level of her present duties.
